

The 2017 Oscar New York Network.

Oscar's network in New York provides access to over 20,000 in-network providers and 31 area hospitals. Oscar's plans cover care received with doctors and hospitals in our network, and no referral needed for specialists! Out of network care will not be covered except in the case of an emergency.

What's covered when you need care away from home?

Oscar plans cover care with doctors in your area, but when you're away from home, you still have options for care. See below for details on how to get great care for everything from common issues to emergencies. And if you have any questions, reach out to your Concierge. We're here for you and available to answer any questions.

Doctor on Call, free 24/7

Not feeling well? Talk to a board-certified doctor for free over the phone 24/7 for advice on common conditions like sinus infections, pink eye, or the flu.

When You Need An Rx

Get prescriptions filled at any one of Oscar's national pharmacy partners including CVS, Walgreens, Rite-Aid, WalMart, and many more.

In Case of Emergency

For things like sprains and other non-life-threatening issues, visit an urgent care center in our nationwide network. We'll cover your visit as if you were home.

And of course...

Emergencies happen. If there's a life-threatening emergency when you're away from home, don't panic. Visit the closest emergency room and it's covered.
