

Classic Bronze Plan

Coverage for: Individual + Family Plan Type: EPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call [1-855-OSCAR-55](tel:1-855-OSCAR-55) or visit <https://www.hioscar.com/forms/?planState=NY&planDate=2017>. For general definitions of common terms, such as **allowed amount**, **balanced billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other **underlined** terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call [1-855-OSCAR-55](tel:1-855-OSCAR-55) to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible ?	\$4,000 individual / \$8,000 family	You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible .
Are there services covered before you meet your deductible ?	Primary care, preventive care, pre- and post-natal care, telemedicine, and emergency care.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Yes. \$7,150 individual / \$14,300 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , the overall family out-of-pocket-limit must be met.
What is not included in the out-of-pocket limit ?	Premiums, Balance billed charges, and healthcare this plan does not cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.hioscar.com or call 1-855-OSCAR-55 for a list of In-Network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

-----*To see examples of how this plan might cover costs for a sample medical situation, see the next page.*-----

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
