

# PPO/EPO network

Anthem's broadest in-network coverage, for healthcare when and where it's needed

## Strong partnerships with care providers for better long-term health and cost savings

- Nearly 100% hospital participation in our service area
- 70,000 participating doctors<sup>1</sup>
- 194,000 provider access points<sup>1</sup>
- National access 

Available across Anthem's full 28-county service area

Available across all lines of coverage: small group, large group fully insured, and large group self-funded

Flexibility for employers to offer any combination of our networks as part of their benefit plan

## PPO/EPO network features by group size

Benefit type	PPO or EPO	
	Large group	Small group
Gatekeeper option (available on EPO plan designs only)	●	
National access	●	●
Global coverage	●	●
Sydney <sup>SM</sup> Health	●	●
Virtual Primary Care	●	●

## Features available with all networks

### BlueCard® program

With more doctors and hospitals than any other insurer, the BlueCard program is an unmatched network, meeting local needs on a national scale.<sup>2</sup>

### Behavioral health

Behavioral health programs help employees live their best lives so that businesses can improve productivity and positively impact healthcare outcomes and costs.

### Sydney Health app

Healthcare is simpler with our award-winning, all-in-one member app.

### CarelonRx

CarelonRx is transforming how pharmacy impacts people's lives — with meaningful connections and collaborative expertise.

### Virtual Primary Care

Employees have game-changing access to comprehensive, unlimited primary care through the Sydney Health app.
